Blind options for older VELUX skylights

Find your skylight identification information, which is located on the metal product identification plate (if you need help finding the plate please vist www.veluxsolutions.com/solutions_website/product-id.html). Write down the model type, size, and other information. Then select your desired blind type and color and contact our nearest dealer to order your new blind. Our dealer locator can be found at veluxusa.com. Your questions can be answered by calling our customer service at 1-800-888-3589.
